PERFECT SURGICARE
Industries Pvt. Ltd.

ABOUT US

Established in 2018 **PERFECT SURGICARE INDUSTRIES PVT. LTD.** has rapidly grown to become a leading provider of hospital consumables & home care devices in the healthcare Industry. With a strong foundation built on four decades of experience, we pride ourselves on offering one of the largest product baskets, encompassing a wide range of essential supplies.

At **PERFECT SURGICARE INDUSTRIES PVT. LTD.**, Our mission is to empower health and enrich lives by providing top notch healthcare products and solutions to our customers.

With over four decades of industry experience, we have developed a deep understanding of the healthcare sector needs & challenges. Our extensive distribution network covers almost all states of North India, enables us to efficiently serve clinics, hospitals, nursing homes through our distributors. Building on this success, we are now poised to launch our entire product range nationwide, aiming to cater the healthcare professionals across India.

We attribute our success to our dedicated marketing team, whose efforts have been instrumental in generating demand from the grassroots level and facilitating seamless service delivery through our network of distributors.

OUR COMMITMENT TOWARDS SOCIETY

At **PERFECT SURGICARE INDUSTRIES PVT. LTD.** We believe that our commitment to social responsibility is just as important as our commitment to quality and innovation. Our commitment to social responsibility is a core value of Perfect Surgicare Industries and is reflected in everything we do.
